
SaskTel Wireless Service Terms of Service**1. Terms and Conditions**

- 1.1 We agree to provide you with the Service under the terms and conditions contained in this Agreement for the duration of this Agreement, upon approved credit.

This Agreement is in effect from the day your Service is activated and continues for the contract period you have selected. At the end of that period, your Service plan will automatically renew on a month-to-month basis. At that time, you can renew your contract for a fixed period, continue your service on a month-to-month basis, or terminate your service without any termination charges applying.

- 1.2 The Service is available for your use within SaskTel coverage areas in Saskatchewan or areas served by companies with whom we have roaming agreements. You can find our service area coverage maps at www.sasktel.com/coverage.
- 1.3 The Service is available to wireless devices properly equipped for the Service and as approved by us. For the purposes of this Agreement, “wireless devices” means all equipment (including phones, smartphones, pagers, SIMs and modems or any other type of wireless telecommunication device) used in connection with the Service.
- 1.4 We are not responsible for the supply, installation, operation or maintenance of your wireless device. It is your responsibility to ensure that your wireless device is compatible with our network and that it complies with the rules and regulations of Industry Canada or any successor or replacement for Industry Canada.
- 1.5 You agree to follow all rules, regulations and policies governing the use of the Service. SaskTel may update or change these rules from time to time, and it’s your responsibility to understand and follow the current policies, rules and regulations. The policies that apply to your Service at the time this Agreement was signed are listed in the Critical Information Summary portion of this Agreement.
- 1.6 We will assign a wireless telephone number and/or an internet protocol address number to you. If we feel it is necessary for any reason, we can change this number at any time without any limitation or liability.
- 1.7 If you have a data-only plan and no voice plan, you can still make voice calls at the pay-per-use rate. At the time this Agreement was signed, the pay-per-use rate for voice calls is \$0.50 per minute.

SaskTel Wireless Service Terms of Service - *Continued***2. Approved Use**

- 2.1 When using the Service, including data sessions, you will follow all applicable laws and any Service rules adopted by us from time to time addressing such things as safe driving and health and safety guidelines. You can only use the Service for customary voice, messaging and wireless data service. Such customary use does not include any application or use which uses excessive network capacity or affects, degrades or interferes with our ability to provide services, including the Service, to others, as we determine.
- 2.2 If we believe your Service, or any SaskTel-provided wireless data service or feature is being used in any way prohibited by this Section 2, our Wireless Data Fair Use Policy, or in any way that negatively impacts our network or its service levels (as we determine), we reserve the right to limit your data speeds, limit the amount of data you're able to transfer, or even suspend or terminate your Service or any part or feature of your Service without notice.
- 2.3 The wireless data portion of your Service is intended for use primarily in Saskatchewan. We reserve the right to limit or deny use of our wireless data plan offerings by customers who are primarily using our data services outside of Saskatchewan. Customers with excessive out-of-Saskatchewan data usage may be asked to move to a different SaskTel wireless data plan where over-usage charges apply or have their wireless data service terminated. Exercise of either of such alternatives is at our complete discretion.
- 2.4 We reserve the right to limit your data speeds, limit the amount of data you're able to transfer, or even suspend or terminate your Service or any part or feature of your Service as provided for in our Wireless Data Fair Use Policy from time to time.

3. Charges

- 3.1 You agree to make payment to us of the following charges (which start from the beginning of your Service Period and continue during any renewals of the Service Period until termination of this Agreement):
- charges for the use of the Service, including but not limited to a fixed monthly access charge, usage (airtime) charges, service fees and activation charges in accordance with the Service plan selected by you;

4. Default

4.1 Any one or more of the following is considered an event of default and will result in the cancellation of this Agreement:

- a) if you fail to make payments when due under this Agreement or under any agreement for service between SaskTel and you, or if you fail to make any payment for any service rendered by us whether or not we have provided you with an invoice; or
- b) if you fail to perform or observe any obligation required by you in this Agreement or in any agreement between you and us for the provision of service or equipment; or

C

SaskTel Wireless Service Terms of Service - Continued**4. Default – Continued**

- 4.2 If an event of default occurs, we may decide to cancel this Agreement after notice to you and bill you immediately for all outstanding charges. In the event of cancellation, you are responsible for any costs and expenses incurred by us as a result of the event of default. Such costs and expenses (including without limitation, legal costs on a solicitor and client basis) are payable immediately upon receipt by you of an invoice from us. In the event of cancellation, you shall pay to us the early cancellation fees identified in the Critical Information Summary portion of this Agreement.
- 4.3 If you fail to pay any amount owing to us for the Service, we can decide to suspend or disconnect your service, provided:
- a) your account exceeds \$50 or has been past due for more than two months;
 - b) you fail to provide us with a security deposit or other reasonable alternative when we have requested you to do so; or
 - c) you previously agreed to a deferred payment arrangement with us and have not complied with the terms of that arrangement.

If we suspend or disconnect your Service in error, we will restore it by the end of the next business day at no charge to you.

Before we suspend or disconnect your Service we will provide you with:

- 1) at least 14 calendar days prior notice;
- 2) the reason for suspension or disconnection of your Service and the amount owing, if any;
- 3) information about the availability of any deferred payment plans;
- 4) our fee for reconnecting your Service; and
- 5) contact information of our representative with whom disconnection of your Service may be discussed.

We will provide you with a second notice 24 hours prior to suspension or disconnection of your Service, except where:

- i) repeated attempts to contact you have failed;
- ii) immediate action is required to protect our network from harm; or
- iii) we suspect that fraud is occurring or likely to occur.

C

SaskTel Wireless Service Terms of Service - Continued**4. Default – Continued**

We will not disconnect your Service if:

- i) you notify us before your scheduled disconnection date that you dispute the reasons for disconnection;
- ii) you pay the amount due for undisputed charges; and
- iii) we do not have reasonable grounds to believe that the purpose of your dispute is to avoid or delay payment.

If your Service is suspended, you are still responsible for paying all charges for the Service, including monthly access charges and any fees to restore your Service, until your Service is either cancelled or restored.

- 4.4 An event of default under this Agreement can result in the cancellation of any other agreement between us and you for any other SaskTel services of any nature.

5. Cancellation of Service

- 5.1 This Agreement can be cancelled at any time either by you or us by giving 30 days advance notice to the other party. If the Agreement is cancelled, you are still responsible to pay SaskTel all charges up to the service cancellation date. You are also responsible for paying the early cancellation charge identified in the Critical Information Summary portion of this Agreement. You agree that the early cancellation charge is a genuine pre-estimate of liquidated damages for loss of revenue arising out of cancellation of this Agreement by you. If additional wireless devices are added to this Agreement after this Agreement is initially signed, early cancellation charges as stated in this section apply to each and every such additional wireless device if such a device has been acquired from SaskTel and we have provided a subsidy for the purchase price of your device.
- 5.2 If SaskTel has provided financing for any of your equipment used with the Service, then in addition to the amounts specified in Article 5.1, you shall, upon cancellation, also pay to us the remainder of the financed amount of such equipment.
- 5.3 In the event of theft, loss, or destruction of your wireless device, you agree to continue paying us the full amount of all charges due that apply to your Service. If your wireless device has been provided by SaskTel, you are also responsible for paying the full amount of the rental charges or remainder of the financed amount of that device.

SaskTel Wireless Service Terms of Service - Continued**5. Cancellation of Service – Continued**

- 5.4 If we believe your equipment is interfering with the provision of the Service by SaskTel to other customers, or causing negative effects to our network, we may cancel your Service without notice. In the event of such cancellation, you are responsible for paying to us all amounts due under the terms of this Agreement.

6. Non-Tariffed Products and Services Schedule

- 6.1 You agree to follow the provisions of the SaskTel Non-Tariffed Products and Services Schedule (“Schedule”), including the SaskTel Wireless Data Service Plans Terms and Conditions and SaskTel Wireless Data Fair Use Policy. If there is a conflict between the terms of this Agreement and the Schedule, the terms of this Agreement will prevail. The Schedule is incorporated into and forms part of this Agreement.

7. Directory

- 7.1 You can request to have your phone number listed in the SaskTel directory. We are not liable for damages arising from errors or omissions in a directory listing. We are not responsible for removing your listing from the directory if your Service is cancelled.

8. Roaming

- 8.1 If you roam on any other wireless carrier’s network, you
- i) understand and agree that you have no contractual relationship with the carrier whose network you’re roaming on, and that you are not a third party beneficiary of any agreement between us and such carrier. You understand that the carrier has no obligation of any kind to you, and is not responsible for any problems you might experience while roaming on their network;
 - ii) agree that since the carrier upon whose network you roam has no responsibility to you, you cannot make any kind of claim against them, its officers, employees and agents, including without limitation claims for libel, slander, infringement of copyright, or personal injury or death arising in any way directly or indirectly in connection with this Agreement. This commitment survives the cancellation of this Agreement; and
 - iii) understand and agree that the services of the carrier upon which you roam are provided on an as is/as available basis and the carrier does not guarantee or warranty the performance, availability, coverage, uninterrupted use, security or operation of such services.

N

The services available for your use while roaming on any other wireless carrier system are dependent on the services made available by any such other carrier on their network and the specific terms of the roaming agreement in place between SaskTel and any such carrier.

9. Terminal Ownership

9.1 If you purchased any wireless device using a hardware subsidy or equipment financing, you agree that the device remains the property of SaskTel until the hardware subsidy or equipment financing is paid in full. Once the subsidy or financing is paid, the ownership of the wireless device will automatically pass to you at no further charge and without any further action required on your part, with no guarantee or warranty on the condition of the device.

9.2 The annual interest rate for hardware you finance with SaskTel is 20%.

10. Warranties

10.1 You acknowledge that you have selected the equipment provided in connection with this Agreement (the "Equipment"). You acknowledge and agree that SaskTel provides no warranty or promise of any kind on the Equipment. Any applicable warranty is that of the manufacturer of the Equipment only.

10.2 Although our network has been designed in accordance with industry standard specifications to be secure, we offer no warranty, representation or promise of any kind either that the Service will remain uninterrupted or that the Service is secure or won't be breached. You acknowledge that it is your responsibility to implement your own security measures such as, but not limited to, implementing a virtual private network solution, an internal firewall and virus protection measures to safeguard your own networks and data while using the Service.

11. Deposits

11.1 We may require you at any time to provide a deposit in an amount satisfactory to us to be held and applied as we may see fit to outstanding amounts that you owe us. In the event this Agreement is cancelled because of your default, we may keep your deposit as a genuine pre-estimate of damages and not as a penalty. Upon cancellation of your Service, your deposit will be returned to you when your account with us for the Service has been paid in full, or it may be applied by us toward payment of any outstanding balance on your account.
